PROFESSIONAL SUMMARY

Driven and detail-oriented Software Engineer with hands-on experience in full-stack web development and data analytics. Proficient in designing, building, and deploying scalable applications using Python, Django, and data analysis techniques. Eager to leverage strong problem-solving skills and a solid foundation in software development and data science to contribute to impactful and innovative software solutions.

EDUCATION

B. K. Birla College of Arts, Science & Commerce, Kalyan

Bachelor of Science in, Information Technology | Expected 2026

- Current CGPA: 9.86 (through 5th Semester)

Priti Academy College, Ulhasnagar

Hsc Science | 2023

- Final Percentage: 76%

Century Rayon School, Shahad

SSC | 2020

- Final Percentage: 81%

SKILLS:

- **Backend:** Python, Java, Django, Django REST Framework, MySQL, Google Generative AI (Gemini)
- **Frontend:** HTML, CSS, JavaScript, Bootstrap
- **Databases:** MySQL, MongoDB
- **Data Visualization:** Matplotlib, Seaborn, Power BI, Tableau
- **Data Analysis:** Data Cleaning, Data Wrangling, Exploratory Data Analysis (EDA)
- **DevOps & Deployment:** Git, GitHub,vercel
- **APIs & Tools:** REST APIs, VS Code, Jupyter Notebook, Tableau, Streamlit
- **Soft Skills:** Problem Solving, Leadership, Time-Management, Collaboration, Communication, Adaptability

CERTIFICATIONS:

Android App Development (NPTEL) |Getting Started with Enterprise Data Science (ISK) | React js(Letsupgrade) |full stack fundamentals (Ifuture) | Power BI Data Visualization(Wscube) | Power BI DAX for Data Analysis and Visualization (Techbrains) | UI/UX Design full course with Figma (Mind Luster)

INTERNSHIP

Data Science & ML Intern | BrainyBeam Info-Tech Pvt. Ltd. | July 2025 - August 2025

- Completed a 10-week program Developed and evaluated machine learning models on structured datasets, improving predictive accuracy by 15% through effective data preprocessing and feature optimization.

Data Analytics Intern | Connecting Dots foundation | April 2025 – June 2025

- Analyzed a dataset of over 100,000 records to build a predictive model that enhanced decision-making accuracy by 15%.

IOT and Automation Tranning | Kaizen Future Tech | November 2024 - December 2024

- Completed a 1-month IoT internship with hands-on experience in building IoT devices and developing a Home Automation System project.

Frontend web Development Intern | Eduskills | Lets Grow More | August 2024 - August 2024

- Collaborated on real-world web projects to enhance usability, performance, and cross-browser compatibility.

PROJECTS:

ResumeSeeker – AI Resume Parser Web App | Final Year project Pitch|

- Developed a Ai powered Resume analyzer using Next.js and Node.js that enables both candidate and recruiter to extract, analyse , and manage key resume information, supported by a scalable Backend with APIs and Prisma.

SmartScore - Student Performance Prediction Model | AI & ML Project in VSEM for pan india Compitision |

- Designed and developed a Student Performance Prediction Model using AI and machine learning techniques for a pan-India hackathon, **qualifying for the finals among the top 100 teams nationwide.**

ArtGram | *E-commerce combined social media Platform for artists* |

- Designed and developed a full-stack e-commerce platform tailored for artists, enabling them to showcase, manage, and sell artwork online through a secure and user-friendly interface.

Sales analysis dashboard | *Built an interactive dashboard For sales analysis* |

- Developed an interactive sales analysis dashboard using data visualization techniques to monitor KPIs, identify trends, and support strategic decision-making.

ACHIEVEMENTS & AWARDS:

- Secured 1st position in internal round of SIH 2025 (Team: late night coders) .
- zonal round Finalist of Aavishkar 2025 .Thane zone
- Student coordinator for Aavishkar 2025 by Mumbai university.
- Graphics Team
- Tech club – Teckshetra Graphics Team Head (2025–26): Organized the various events on campus also was the student coordinator for Techno Vinayak event and conducted 4+ workshops on Canva/Power BI/graphics, and portfolio building (live demo).
- Active member of COAP club (Mpower) (BY- Aditya birla foundation)
