WORK EXPERIENCE

Senior Analyst, Transformation AVIA

02/2022 - Present

Greater Chicago Area

AVIA runs the nation's leading network for health systems seeking to innovate and transform through digital strategy. The AVIA Innovator Network brings together action-oriented health systems to solve pressing challenges that are ripe for digital innovation. Network members collaborate on strategic initiatives like consumer engagement and post-discharge success. With AVIA's rigorous process and the power of collaboration, members identify, deploy, and scale the best digital solutions to achieve financial and clinical impact. The result? Health systems accelerate their pace of transformation – moving faster with greater confidence. Learn more at aviahealthinnovation.com.
